Warranty Certificate

We, below signed NTC STAVEBNÍ TECHNIKA spol. s r.o., as the manufacturer / distributor warrant the following product:

Type: VT 100 H S/N: 067 Engine S/N: 0912316066145

to be free of defects for period of 12 months from date of sale to the end-user or 14 months from dispatch from NTC, whichever occurs earlier.

Buyer (end-user): Company name: **COZAMAQ RENTAL, S.L.**
Address: **POL.IND. MALPICA-ALFINDEN
C/G, No. 44
50171 LA PUEBLA DE ALFINDEN
(ZARAGOZA)
SPAIN**

This warranty is valid only for the buyer (end-user) whose name is written in this certificate.

This warranty excludes the combustion engine, which is covered by separate warranty.

This warranty does not apply to consumable or wear parts, as for example the V-belts, rubber elements, filters, spark plugs, electrical bulbs, soft pads for vibratory plates, diamond discs for saw machines and similar parts.

NTC will not honor any warranty claim for any failure caused by not keeping the operation manual, using the machine for other purpose than intended, abuse, neglecting of prescribed maintenance or failures caused by accident or force majeure. The warranty is not valid, if the machine has been modified without manufacturer's written permission, or if there were used other than genuine spare parts or other than prescribed oil or fuel.

Any warranty claim must be submitted to NTC in writing, as soon as possible after the failure occurs. In case of authorized warranty claim, it will be sole decision of NTC to repair or replace the faulty product, or let it to be repaired by another qualified company. In case of not authorized warranty claim, NTC reserves the right to invoice the claimant for any or all costs connected with verification of the claim and/or repair of the machine.
